### **Impact of the PE and sports funding 2015-16**

The PE coordinator attended a course through SSSP. The PE coordinator has developed skills in assessing and recording PE and inspired the use of different ideas to include in PE activities. The SSSP learnt about a different level of disability through visits here which will impact on their skills and should help them to be better able to support pupils in mainstream schools. Training for LTS was delivered Equipment was purchased and is available and in use daily.

A cycle Derby session was attended by senior pupils and parents have purchased adapted bikes and are accessing events in the school holidays.

Rebound sessions ran regularly throughout the year as part of PE sessions or as discreet rebound sessions

A large majority of pupils making expected or above progress in their physical skills was recorded in July 2016 through our CASPA data evaluations.
