Christmas fayre.

It was lovely to have so many parents, families and friends join us here at school for our fayre, which was full of exciting stalls and activities.

The classes raised approximately £800 for their own funds to use during the year. Thank you for your support.

We also want to thank all the businesses and families that have supported our raffles and tombola with prizes.

Website:

We hope you find our school website useful and informative. If you have any additional suggestions to improve it please contact Jake. All ideas welcomed for discussion.

Class off-site visits.

Classes have been to the Snowdome at Tamworth, Magna science museum near Sheffield, a farm visit in Derbyshire and to Findern garden centre.

(Diamonds would like to say a special thank you to Findern Garden centre as they managed to get Santa to leave his busy schedule 3 times for their class visits!)

Primary Nativity:

We hope you enjoyed our super primary nativity, which was on 11th and 12th December. It has certainly now put us in the mood for Christmas.

We hope you enjoyed your time with us.

Governors:

A very big thank you goes to our Governing Board who have worked so hard (voluntarily) this year to support all our developments and keep up to date with everything going on in school.

Please see our website for a list of contacts and roles and responsibilities of the team.

Bad weather Closure

If we need to close school for bad weather at any time over the next few months we will announce this on **Radio Derby.**

All decisions will be taken as promptly as possible. We apologise for any inconvenience this causes but the safety of our pupils is at the centre of any closure decision as we are sure you understand.

Inset dates to note:

Our next inset training day when school is closed to pupils is Monday 16th February 2015.

*We wish you all a very Merry
Christmas and a Happy New Year.
We want to thank you for all your
support and involvement in school.
Best wishes for 2015.*

We do not remember days, we remember moments.
